

Regent Language Training

Complete your Christmas with a Regent Oxford Experience!

Winter is a great time to study English in a more relaxed, quieter and more focused learning environment. With **smaller classes** the teachers have more time to hone your language skills and **accelerate your progress** in a short period of time.

This winter season **Regent Oxford** will be open as usual and we will offer our complete range of programmes. Our **festive season courses** will include both the challenging, dynamic and structured tuition you have come to expect from us as well as **exciting cultural celebrations** that will complete the festive experience!

Please find below more information on our **Christmas courses and accommodation options** as well as a **sample of our festive leisure programme**. I look forward to hearing from you soon and I hope you will join us here at Regent Oxford during your Christmas holidays.
