

Regent Brighton Winter Course 2017

A course at Regent Brighton at this time of year is a great way to get lots of attention and teacher time when class sizes are often smaller than average. We are open during the Christmas holiday, with the exception of Christmas Day (25/12) and Boxing Day (26/12) so you can experience an English Christmas and make rapid progress in a short time.

The historic city of Brighton & Hove has so much to offer during the Christmas period – ice rink, Christmas shows and markets, foodie boutiques, antiques and jewellery shops, funky clubs and glorious architecture – all lit up by dazzling and colourful lights!

This is a truly magical time to experience and explore the city!
